

ENTES ES-32L Power & Energymeter

General Information

Entes ES series Watt-Hour Meters measure the active watt-hour(kWh) consumption directly.

Technical Specifications

→ COS:	* (none)	→ W Active Power:	* (none)
→ VAr Reactive Power:	* (none)	→ VA Apparent Power:	* (none)
→ Σ W:	* (none)	→ Σ VAr:	* (none)
→ Σ VA:	* (none)	→ kWh Active Energy:	✓ (available)
→ kVArh Reactive Energy:	* (none)	→ 2 Seperate Energy Logs:	* (none)
→ Demand:	* (none)	→ Digital Input:	* (none)
→ Energy Pulse Output:	✓ (available)	→ .../5A:	* (none)
→ CT-25 (120A):	* (none)	→ RS-485 Communication:	* (none)
→ CT-80D compability:	* (none)	→ Pcs. / Carton:	10

About Precicon D&C

Precicon D&C Pte Ltd (PD&C), formerly known as Precicon Automation (S) Pte Ltd, established since 1985, is a wholly owned subsidiary of Tai Sin Electric Limited (Tai Sin) based in Singapore.
