

Discontinuation Notice of G3MB PCB SSR Series

Product Discontinuation

Recommended Replacement

Solid State Relays
G3MB series

Solid State Relays
G3MC series

Discontinuation date : The end of March, 2011

Caution on recommended replacement

- Dimensions are almost same but not full compatible.
- The G3MB “4” Models are not footprint compatible with G3MC Models. However, only Terminal 1 for G3MB “4” Models differs. The G3MB-202P(L)EG-4 DC20MA Relays without an Input Resistor, currently has no G3MC Equivalent. A potential G3MC replacement is possible but will not be footprint compatible.
- EN standard of the replacement models are certificated by VDE. (no TUV approval.)

Difference from discontinued product

Model	Body Color	Dimensions	Wire connection	Mounting Dimentions	Characteristics	Operation ratings	Operation methods
G3MC	**	*	**	**	**	**	**

** : Fully compatible

* : The change is a little / Almost compatible

-- : Not compatible

- : No corresponding specification
