Easy Harmony XA2:

- modular, plastic pushbuttons and switches with metallic-look ring,
- complete, plastic pilot lights with integral LED

Fit for purpose

All the products composing the Easy Harmony XA2 range have been designed to be used in numerous control and signaling applications:

- > customers can easily select the key functions for standard applications
- > their diameter, Ø 22 mm / 0.866 in. makes them suitable for standard OEM and panel builder applications.
- > with plastic material, they provide a solution for industrial applications demanding a high resistance to chemical agents.

Ease and comfort of choice

The range is available in the form of complete units. It involves:

- > modular, plastic pushbuttons and switches with metallic-look ring
The modular design allows flexible and simple setup for complete products: the right product can be chosen among various types of heads and 2 types of functions are proposed (contact and signaling)
- > complete pilot lights, provided with integral LED.

All products are fitted with screw clamp terminals allowing fast and easy connection.

Contact functions

- Pushbuttons with spring return and push-push (marked or unmarked)
- Selector switches and key switches, 2 or 3 positions
- Emergency switching off pushbuttons with push-pull and turn to release
- Double-headed pushbuttons with spring return

Contact and signaling functions

- Illuminated pushbuttons with integral LED, spring return and flush push
- Illuminated double-headed pushbuttons with integral LED, spring return

Signaling functions

- Pilot lights with integral LED
- Indicators with integral LED

Groomed ergonomics

- > Metallic-look ring on pushbuttons and switches gives a modern look
- > Ergonomic curve on the selector switches allows flexible operation

Metallic-look ring

Ergonomic curve

Pushbuttons and switches with metallic-look ring design

Easy installation

- > Installation of pushbuttons is simple and easy
- > Mounting by single nut to the control panel
- > Anti-rotation plate prevents the pushbutton head from rotation

- Single lock ring for mounting on control panel

- Clip-together component system for head, body, contacts, and LED light blocks

Proven robustness

- > Conforming to most demanding international standards and approvals
- > Tested and certified performance
- > Excellent resistance to mechanical shock and vibration
- > Supports extended temperature range from - 40° C to + 70° C

Helps customer to
improve the reliability

Service and availability

- > Supported by the service of Schneider Electric
- > Wide availability throughout an extensive distribution network

 Up to IP 65 degree of protection

Presentation

The Easy Harmony XA2 range of Ø 22/0.866 in. plastic control and signaling units combines simplicity of installation, flexibility and robustness. It meets the requirements of the majority of industrial applications. The metallic-look ring design on the pushbuttons and switches gives them a modern look. These products are available in the form of complete units.

■ This range includes:

- Contact functions: pushbuttons, selector/key switches, Emergency switching off pushbuttons, and double-headed pushbuttons designed for parameter settings, adjustments, and start/stop control of machines and installations
- Contact and signaling functions: illuminated pushbuttons and double-headed illuminated pushbuttons designed for control and signaling functions
- Signaling functions: pilot lights and indicators designed for visual signaling

■ The pushbutton, switch control (illuminated and non-illuminated), and pilot light offer is both broad and comprehensive:

- Pushbuttons, spring return with flush push, marked or unmarked, or mushroom head
- Emergency stop pushbuttons Ø 40/1.575 in., Ø 30/1.181 in., and Ø 60/2.362 in. with 2 types of head: push-pull and turn to release
- Pilot lights, indicators, and illuminated pushbuttons with integral LED
- Selector switches with different types of operator: standard handle, long handle, or key
- Choice of heads: circular and double-head
- Connection type: screw clamp connector
- Various accessories

Installation

■ Easy Harmony XA2 products are both simple and quick to install:

- Mounting by a single nut to the control panel,
- Body/fixing collar simply clip on the head.

Environment

The performance features of the Easy Harmony XA2 range meets the following specifications:

■ Degrees of protection conforming to standard IEC 60529:

- IP 65 for pushbuttons, Emergency switching off pushbuttons, illuminated pushbuttons, and pilot lights
- IP 54 for key selector switch and indicators
- IP40 for double-headed pushbuttons

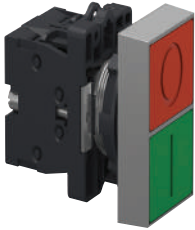

■ International standards:

- IEC 60947-5-1, EN 60947-5-1, GB/T 14048.1-93, GB/14048.5-93

■ Product certification:

- CCC, EAC, CE
